EDUCATION

B.E. Computer Science — Chandigarh University 2023 – 2027
CGPA: 7.25/10 — Coursework: DSA, OOP, DBMS, Operating Systems, Computer Networks
Government School, Chandigarh — Class XII: 82.3% 2023
Shivalik Public School, Mohali — Class X: 91.45% 2021

TECHNICAL SKILLS

Data Analysis	Microsoft Excel, PowerBI, SQL, Data Cleaning, Data Validation, Data Visualization
Programming	Python, Java, JavaScript, HTML5, CSS3
Data Science	Pandas, NumPy, scikit-learn, NLTK, TF-IDF, Sentiment Analysis
Web Technologies	Flask, React.js, Node.js, REST APIs
Databases	MySQL, PostgreSQL (Familiar), MongoDB (Familiar)
Tools	Git, GitHub, VS Code, Postman, Google Sheets, MS Office
Soft Skills	Analytical Thinking, Business Communication, Attention to Detail, Problem Solving, Cross-functional Collaboration

PROJECTS

YouTube Comment Sentiment Analyzer | Python, Flask, NLP, Machine Learning, REST API [🔗 Demo](#)

- Developed a Flask application to retrieve and analyze real-time YouTube comments using the YouTube Data API and machine learning techniques.
- Performed data cleaning, preprocessing, sentiment analysis, and visualization to identify audience trends and generate actionable insights.

Fake News Detection System | Python, Flask, Machine Learning, TF-IDF [🔗 Demo](#)

- Developed a machine learning application for news classification using TF-IDF and supervised learning algorithms.
- Performed data preprocessing, feature engineering, model evaluation, and presented prediction results through an interactive web interface.

Online Learning Management System | Java, MySQL, HTML, CSS [🔗 Demo](#)

- Designed and developed a Learning Management System implementing authentication, role-based access, and course management using Java and MySQL.
- Designed the database schema and implemented CRUD operations following Object-Oriented Programming principles.

POSITIONS OF RESPONSIBILITY

Class Representative — CSE Dept., Chandigarh University Jan–May 2026

Coordinated communication between students and faculty, collected feedback, resolved academic queries, and ensured timely dissemination of information.

WORK EXPERIENCE

Graphic Designer — Alexa Developers Community, CU Aug 2025 – Present

Collaborated with cross-functional teams to design marketing assets, prioritize deliverables, and ensure timely execution for technical events.

Graphic Design Intern — LaunchED Global Jul – Aug 2025

Researched, designed, and delivered marketing materials while coordinating with remote stakeholders and meeting project deadlines.

ACHIEVEMENTS & ACTIVITIES

- Developed and deployed three end-to-end applications involving machine learning, SQL databases, and web technologies.
- Recognized with a Certificate of Recognition for serving as Class Representative.
- Actively learning advanced Excel, Power BI, SQL optimization, and business analytics.
